31st Annual Spring Garden Fair

Plants, tools and garden art, oh my! It's time for the annual Spring Garden Fair, presented by the Clackamas County Master Gardeners. Every year we bring together the Northwest's favorite growers, artists and other vendors specializing in the best for your garden. Be sure to save the date: this year's event is May 2 and 3, 2015, Saturday 9 – 5 and Sunday 9 – 4.

Offered again this year are your perennial favorites: 10 Minute University with short classes packed with information on how to grow your garden, Free pH Soil Testing, and Ask an O.S.U. Master Gardener to answer all your gardening questions.

We have our Garden Raffle with prizes each hour, a Free Plant Check to hold your purchases while you shop, and Plant Taxi Service run by local student volunteers to aid with your shopping.

Want to know about the latest and greatest plants for 2015? Check out the New Plant Introductions & Silent Auction to bid on something special for your garden this year. Don't forget the potting station where Master Gardeners are ready to pot up your newly purchased plants with free potting soil in the latest new pots.

What Fair would be complete without exhibits and refreshments? Check out the informative booths in 4-H Hall, staffed by local organizations. Then take a break with a cup of coffee at Coffee Thyme, or get a snack in the Good Thyme Food Court.
